Letter from the Dy.
Commr, Mysore Dist.

In G.O. no. 284 of 19th
July 1918, The application
from the Sanni of Suthar
Matti in the Nanjangud
Taluk praying for the
restoration of resumed lands,
was rejected.

The Dy Commr seems to
think that para 2 of the
preamble of the said order
requires modification. He
states that the recommendation
for the restoration of the
land was made by his
predecessor in his letter
of 11th July 1914, and he
did not send up any
recommendation in his
letter of 30-10-17 ref.

To

G. Aravamudan Iyengar, Esquire, M.A., B.L.,
Joint Secretary to the Government of
His Highness the Maharaja of Mysore,
Muzrai Department, Bangalore.

Sir

Referring to Government Proceedings No. 284-Muz. 160-14-9 dated 19th July 1918 passing orders in the matter of the restoration of the inam lands endowed to Suttur Matt in the Nanjangud Taluk, out of which were resumed to Government on 30th October 1900, I have the honor to state that from the preamble to the Government Order (para 2) it would appear that the restoration of the inam lands to the Matt was recommended in this office No. 204/16-17 Muz. dated 20th October 1917.

On looking into the office copy of the above letter I find that no such recommendation was made by me. The recommendation was actually made by my predecessor Mr. A. Subramanyam Iyer, in the office letter No. 11 dated 11th July 1914.

I have the honor to be,

Sir,

Your most obedient servant,

J. W. Sehadri
Deputy Commissioner,
Mysore District.
absent from station

Subject:- Points out to the Deputy Commissioner, Mysore District, that there is no mistake in the language of the precis requiring correction in para 2 of the preamble of G.O. No.284 dated 19th July 1918.

The Deputy Commissioner,
Mysore District.

S i r,

Referring to your letter No.65 dated 29th July 1918 stating that from para 2 of the preamble of Govt. Order No.284 dated 19th July 1918 rejecting the application from the Svami of Suthur Matt in the Nanjangud Taluk it would appear that you had recommended the restoration of the lands in your letter No.204/16-17 dated 30th October 1917, I am directed to point out that the correspondence in the matter including your predecessor's letter No.11 dated 11th July 1914 recommending the restoration of resumed inams having been read in the preamble, there is in reality no error in the description of the purport of the correspondence which requires to be corrected.
